Dear Shotgun Camp Applicant:

Here is the 2008 NRA/Laura Revitz Memorial Advanced Junior Shooting Camp (AJSC) application that you requested. These shotgun camps are designed to identify interested young shotgun shooters with potential and train them in advanced competition skills in the Olympic Shotgun Disciplines of Trap (Bunker), Double Trap and Skeet. The AJSCs provide an excellent opportunity to hone your shotgun shooting skills this summer. The camps feature lots of one-on-one coaching, daily physical training, as well as important topics like safety, competition rules, nutrition, mental focus, training plans, and much more.

All camps are lead by top-level coaches who are members of the Coach Education Program's National Coach Development Staff (NCDS). With a combined total of experience measured in hundreds of years, these coaches provide a level of training not available anywhere else in an environment that is challenging and fun at the same time.

Please take the time to read and complete the application in its entirety. Incomplete applications may result in your not being accepted to a camp. The camps are restricted to athletes 14 to 20 years old. Thirteen year olds may apply and will be considered on a case-by-case basis. We are sorry, but no one under 13 will be considered. Since we can only accept shooters up to maximum range capacity, we must select the best of the applicants. Notification of selection is made at least one month before the start of the camp to allow for travel arrangements. Send in your application to arrive as soon as possible, but not later than May 1st, 2008. You may supply additional information, such as other match scores, anytime after your initial application. Applications received after the deadline will be considered on a space available basis.

Fees

The camp fees for 2008 are \$350.00 for each camp. This fee includes instruction, targets (and ammunition), lodging and meals. The remainder of the cost is covered by a generous grant through the NRA Foundation from Laura Revitz. Your travel to and from the camp location is your responsibility. Please **do not** send your fee or arrange for travel until you receive notification of acceptance. A letter will be sent to each applicant informing them of their status at least four weeks before the start of the camp.

Please make sure that both you and your parents read and sign the "Athlete's Agreement." Additionally, your parents must sign the photographic release for us to use your pictures in any publications.

Please take the time to complete this application and add any amplifying information that you think will help us understand your abilities. The application **MUST BE COMPLETED BY THE ATHLETE**, and must be filled out by hand (no typed applications will be accepted). Please be certain that you fill it out legibly.

If selected, you will receive a camp package with specific camp rules, a schedule of events and other documents that will need your immediate attention. You must submit all required additional documentation at least two weeks before the camp start date or risk losing your spot.

Good luck, good shooting, and we hope to see you in the summer.

Sincerely,

Don Sipes
NRA National Coach Trainer
